

JAGD & HUND

International exhibition for hunting and fishing

Warmly welcoming you to the JAGD & HUND

Europe's leading industry meeting point for hunting and fishing was larger and more action-packed than even before in its anniversary year and was thus able to yet again meet the high expectations of around 79,000 visitors and 670 exhibitors.

The combination of high quality products and services offered and the extensive, exciting event areas makes a visit to JAGD & HUND a real adventure: according to a survey, over 95% of our visitors went home very satisfied after an eventful and informative day at the exhibition. And satisfied visitors always come back: nine out of ten visitors already stated at the exhibition that they wanted to visit the next JAGD & HUND.

The internationality of the exhibition is constantly growing: while 31% of the exhibitors are based outside of Germany, JAGD & HUND also welcomes around 14.4% of its visitors from abroad. For years the exhibition has offered the most comprehensive presentation of international hunting trip providers within Europe, which is supported by the concept of a different partner country each year.

The festival hall 3A celebrated its debut in the anniversary year 2011 and as a result of its huge success as a culinary venue with many entertaining highlights will remain a permanent part of JAGD & HUND.

In addition to the exhibitors' range of products and services, the long-standing event surfaces, which are also partly interactive, and the specialist forums on current topics make the "overall experience of JAGD & HUND". You can find more detailed information on this on the left side, under the corresponding menu items.

The 31st JAGD & HUND will take place from 31st January until 5th February 2012. We would love to be able to welcome you as a visitor to the Messe Westfalenhallen Dortmund.
