UNTERWEGS LEISURE & TRAVELLING

Welcome to UNTERWEGS – the active trade fair on the topics of travel + outdoors!

The trade fair UNTERWEGS showcases tips and ideas for your next holiday and inspiration for outdoor activities as part of DORTMUNDER HERBST. Tourism associations, cities and regions present themselves to visitors for the most wonderful time of the year – the holiday and leisure period!

Nine trade fairs will showcase themselves with UNTERWEGS under the well-known and traditional name of DORTMUNDER HERBST in the Westfalenhallen trade fair in Dortmund. In comparison to the previous year, visitors can expect a larger, more diverse shopping and experience world with an extensive range of exhibitors and exciting entertainment highlights for the whole family.

We warmly invite you to take a closer look at the other pages of the site to obtain information about your visit to the trade fair or about your participation as an exhibitor!
