MAYDAY "MOMENTUM"

The 30 years jubilee celebration of MAYDAY last year was unforgettable. Seeing you all after two years of pandemic felt so good.

Looking ahead, MAYDAY will be the momentum of sound, visuals and connection - once again. Experience the best of techno and the harder styles, with the most demanded artists such as new and fresh talents, combined on 3 impressive stages.

And it's not just the music. Production, lighting, lasers and visuals are carefully designed to create the perfect momentum.

MAYDAY is always more than just a rave. It's a community of like-minded individuals who come together to celebrate life, love, and the force of electronic music. Our values of unity, respect and acceptance are at the heart of everything we do. We strive to create a safe and welcoming environment for everyone who attends.

Whether you're a seasoned raver or a first-timer, MAYDAY is for all of you. Lose yourself in the music, connect with new friends and feel the magic.
